This European Standard was approved by CEN on 1995-05-27. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

FOREWORD

This European Standard has been taken over by CEN from the Western European EDIFACT Board in the UN/EDIFACT context.

This European Standard shall be given the status of a National Standard, either by publication of an identical text or by endorsement, at the latest by February 1996, and conflicting national standards shall be withdrawn at the latest by February 1996.

According to CEN/CENELEC Internal Regulations, the following countries are bound to implement this European Standard: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.

This message standard shall be used in conjunction with EN 1475:1994. Supporting Directory based on UN/EDIFACT D.93A Directory. For reference to codes (which are not part of this or any other standard) refer to WE/EB Secretariat - ECE DG III B/5, rue de la Loi 200, 1049 Brussels.

This standard is technically identical to the corresponding UN/EDIFACT recommendation.

1 SCOPE

This specification provides the definition of the United Nations Standard Request for Quote Message to be used in Electronic Data Interchange (EDI) between trading part

A message which provides potential buyers with the ability to solicit price, delivery schedule, and other conditions from potential sellers of goods or services.

2 NORMATIVE REFERENCES

This standard incorporates by dated or undated reference, provisions from other publications. These normative references are cited at the appropriate places in the text and the publications are listed hereafter. For dated references, subsequent amendments to or revisions of any of these publications apply to this standard only when incorporated in it by amendment or revision. For undated references the latest edition of the publication referred to applies.
